

U.S. Postal Service seeking site offers in Tabiona

The U.S. Postal Service is accepting site offers for a new post office in Tabiona, Duchesne County.

The Postal Service is seeking a site of 17,300 square feet or an existing building of 1,400 square feet on a similar site. The site should be within the city limits of Tabiona, bordered by C St., Utah 35, O St. and Fourth Street.

Sites containing subsurface storage tanks or toxic waste or which were once used as landfills will not be

considered.

Tabiona Postmaster Charles F. Gotter said no tax dollars will be used on the project. Since 1983, the Postal Service has not received tax dollars for building construction.

Offers will be accepted until close of business Aug. 21 with B. Thomas Colemere, Real Estate Specialist, Support Services Office, USPS, P.O. Box, 27117, Salt Lake City, Utah, 84127.
